

# Unit Parameter Settings List

## Unit Parameter

[Home](#) > [Unit Parameter listing](#)

ADD UNIT PARAMETER

Sn.	Company Name	Address	Contractor EPF Number	Contractor ESI Number	Department Count	Designation Count	Action
1	abc6778	delhi			2	1	
2	Abcd	abcd			1	0	
3	abc hhh	and	ABCDE1069156555	22221207806601199	1	2	
4	academy	delhi			1	1	
5	Academy	Gautam Nagar			0	0	

This section displays a list of multiple units within your company. A search bar is available to help you quickly find units by name.

The list includes key details such as Company Name, Address, Contractor EPF Number, Contractor ESI Number, Department Count, and Designation Count. An Action column provides an edit icon - clicking on it redirects you to the Company Details, Departments, and Designation pages where you can update relevant information
