

Various ways of salary structuring of employees

Bulk Salary

This option allows you to structure salaries in bulk without incorporating statutory components .

It is suitable for organisation's that do not require statutory salary breakdowns.

Steps to use Bulk Salary: Click on Bulk Salary > Download the template > Fill in all the

required details > Save and upload the completed file to apply salary structures in bulk

Bulk Custom Salary

This option allows you to structure and customise salaries in bulk incorporating statutory components like PF, ESI, and other deductions.

When you click to download the template, you will get two options:

Onboard Employee - to structure salaries for newly added employees

Active Employee - to update salary structures for employees already active in the system

Steps to use Bulk Custom Salary: Click on Bulk Custom Salary > Download the required template

(Onboard or Active Employee) > Fill in all mandatory fields > Save and upload the completed file
